WASHINGTON, D.C. 20461

RQ-2

NOV 1 1995

Robert K. Wilson, Treasurer
Ohio Republican State Central
and Executive Committee AKA:
The Ohio Republican Party
172 East State Street, Ste. 400
Columbus, OH 43215

Identification Number: C00162339

Reference: Mid-Year Report (1/1/95-6/30/95)

Dear Mr. Wilson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible. To the extent that your committee has received impermissible funds, the Commission recommends that you transfer the impermissible funds to an account not used to influence federal elections or refund the impermissible amount(s).

REPUBLICAN PARTY

to the donor(s) in accordance with 11 CFR §103.3(b). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Transfers from affiliated and other party committees should be properly disclosed on a separate Schedule A, supporting Line 12 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Exempt party activities should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-On Schedule D of your previous report, you disclosed a debt(s) owed to Blue Cross/Blue Shield of Ohio, Employment Development, Inc., J.H.B. Enterprises, Lasermail, Inc., Lindey's, Robert T. Bennett, and Spencer & Erie. This obligation(s), however, has been omitted from this report. Please amend your report to include this debt(s) on Schedule D and Line 10 of the Summary Page. All debts and obligations must be disclosed until extinguished. 11 CFR §104.11

OHIO REPUBLICAN STATE CENTRAL COMMITTEE AKA: THE OHIO
REPUBLICAN PARTY
PAGE 3

-The outstanding balance of a debt owed to a creditor at the close of one report should be exactly the same as the outstanding balance beginning the period of the next report. This report shows beginning balances to Town & Country Technical Services and Xerox Corporation, which are not identical to the ending outstanding balances for these creditors on the 1994 Year End Report. Please amend your report to clarify these discrepancies.

-Your report discloses a payment(s) on Schedule D to Coldwater Corporation, which has not been recorded on a disbursement schedule. Debt payments must be reflected on Schedule B or H4 as well as on Schedule D. Please amend your report to clarify this discrepancy. 2 U.S.C. §434(b)(5)(D)

-Schedule D discloses \$455.28 in payment(s) this period to Expedite Systems; however, there are \$452.09 in payments reflected on your disbursement schedules. Please amend your report to clarify this discrepancy.

-Schedule D discloses \$1,541.50 in payment(s) this period to United Parcel Service; however, there are \$919.90 in payments reflected on your disbursement schedules. Please amend your report to clarify this discrepancy.

-Schedule D discloses \$1,319.49 in payment(s) this period to William Graystone Winery; however, there are \$1,219.49 in payments reflected on your disbursement schedules. Please amend your report to clarify this discrepancy.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page for the payments made to Professional Support Group and Downtown Computer Repair the FEDERAL SHARE must be added to the NON-FEDERAL SHARE to derive the TOTAL AMOUNT. FEC calculations indicate an amount different than the TOTAL AMOUNT you have disclosed. Please amend your report to clarify this apparent discrepancy.

-Schedule A of your report (pertinent portion(s) attached) discloses contribution(s) which may have been drawn on a corporate account(s). 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from separate segregated funds established by the corporations.

OHIO REPUBLICAN STATE CENTRAL COMMITTEE AKA: THE OHIO
REPUBLICAN PARTY
PAGE 4

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a contribution(s) from a corporation(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of the committee, all transfers-out and refunds should be made within thirty days of the treasurer's receipt of the impermissible funds. In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action on your part to transfer-out or refund any such prohibited contributions will be taken into consideration.

-Schedule A supporting Line 12 discloses a transfer-in from Republican National Committee. Schedule B supporting Line 21(b) reflects payments for sign removal, buttons for Dewine, mailing, yardsigns and envelopes. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used including distribution by direct mail; all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.7(b)(15) and (17) and Pages 14 and 15 of the Campaign Guide for Party Committees.

Please clarify the nature of the transfers-in and subsequent payments for sign removal, buttons for

OHIO REPUBLICAN STATE CENTRAL COMMITTEE AKA: THE OHIO
REPUBLICAN PARTY

Dewine, mailing, yardsigns and envelopes. If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B or F supporting Line 23 or 25 of the Detailed Summary Page as appropriate.

-Schedule H1 indicates that the federal allocation for administrative and generic voter drive costs is 25%. However, Commission calculations for some of the disbursements listed on Schedule H4 disclose the federal share to be 0%. Furthermore, Schedule H3 discloses a non-federal transfer(s) received based on the latter ratio. Please clarify this discrepancy and transfer the excessive non-federal amount back to the non-federal account, if appropriate.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
